### 1. Roll Call / old Minutes approval? Summary first month

- no old minutes, first meeting

### 2. User membership for Dune members – Ralph/Jaret

- Dune very large collaboration
- which users will be users?
- so far: active users (IT access, SURF access, using SURF resources)
- everybody can be user, but executive has to be active (active = SARF) ?
- active communication with DUNE collaboration
- LHC user : complete a form

- Action: Reach Out to Dune, check with CERN/FermiLab UA, Invite to Meetings, Suggest Charter Addition

## 2. ORGANIZATION

### 2.1. Membership

Membership shall be open to individuals with a professional interest in the scientific program at SURF. Formal membership shall be compiled from approved submissions to the SURF access request database. Members are unique individuals affiliated with one or more active SURF experiments. SURF staff who are members of one or more experiments can also be members of the Association. The Executive Committee Secretary maintains the Association membership list and interacts with SURF to create an email distribution list and review on a regular basis.

### 3. Communication Tools

- Minutes will be posted to

<https://vpn.sanfordlab.org/docushare/dsweb/View/,DanaInfo=docs.sanfordlab.org,SSL+Collection-31001>
