Update

- Quarterly meetings with Jaret Heise, Mike Headley + invitation to DUNE representatives
- Charter update
https://www.sanfordlab.org/sites/default/files/documents/science/SURF%20Research%20Association-Charter-Ver2_final.pdf
 - Need for an update of the user definition to invite/start the inclusion of future DUNE users
 - Widen user definition to be more inclusive to all interested users (not necessary to be in an active experiment to be considered as user)
- Started work on a general registration process

Meetings

- Two meetings take / took place
- **SURF Long-Term vision meeting**
 - to discuss future needs and topics for long-term planning
 - International panel with experts from a variety of fields
 - 2-day webinar
 - Slides available under <https://indico.sanfordlab.org/event/26/overview>
 - For access to recording please contact us
- **SURF General User Meeting**
 - To discuss and show ongoing work at SURF to all users
 - 2-day webinar with 21 talks
 - <https://indico.sanfordlab.org/event/27/>

Election

- We need your participation and your feedback, especially as a young user
- 2-year term
- If you are interested, please contact any committee member, or use sua_ec@sanfordlab.org
- Election for four positions planned in Nov (nomination) / Dec (election)

Executive Committee Members

Name	Field	Experiment	Institution	Notes	Term Expiry
Mark Hanhardt	Physics	CASPAR	SDSTA	Early Career	04/12/2022
Brittany Kruger	Life Science	DeMMO	Desert Research Institute	Secretary	04/12/2021
Kevin Lesko	Physics	LZ	Lawrence Berkeley National Laboratory		04/12/2022
Rachel Mannino	Physics	LZ	University of Wisconsin-Madison	Early Career	04/12/2022
Ralph Massarczyk	Physics	MJD	Los Alamos National Laboratory	Chair	04/12/2021
Brianna Mount	Physics	BHUC	Black Hills State University		04/12/2022
Megan Smith	Earth Science	EGS/ SIGMA-V	Lawrence Livermore National Laboratory		04/12/2021
Frank Strieder	Physics	CASPAR	SD Mines		04/12/2021
Wenqin Xu	Physics	MJD	University of South Dakota		04/12/2022

Summary

- Keep an eye open on SURF user association emails for the election
- More interaction by you == more efficient for you
- Contact us with any kind of
 - questions,
 - problems,
 - things that should be addressed
