CAC Review Recommendations Status

ID #	Recommendation	Status
10 open	Visit universities to discuss the types of internships available at SURF with an emphasis on American Indian universities and colleges	Spring 2023 – Refine list of tasks and events to support robust recruitment Spring 2023 – Collaborate with IDEA/Comms to update SURF careers videos
11 open	Consider adding some type of measurement process to indicate student interest in science as a result of E&O work at SD schools	Spring 2023 – Create list of data collection practices of other facilities Spring 2023 – Develop and implement data plan from external evaluator
21 closed	Encourage E&O to continue outreach to teacher preparation programs throughout South Dakota	Spring 2023 – Work with IDEA to build partnerships with tribal colleges Fall 2023 – Scheduled activities in place with at least one tribal college
27 closed	Suggest that E&O work with the Public Broadcast system in getting information out to the public.	On-going – Work with Comms to share information with SD communities through SDPB
28 Closed	Adjust outreach focus to building relationships and trust with underreached and isolated communities in South Dakota. Be explicit both internally and with appropriate stakeholders that this will likely result in a decrease in the total number of students reached in a given year.	On-going – System to track interactions with districts across SD. Analyze data to understand demographics of schools served Fall 2023 – Report data and report progress towards reaching more underreached and isolated communities
